administration

administration

Dr. Alexander, who has functioned as President of Chicago State University, has built his platform on the foundation of primarily three principles.

A) Maintaining a multi-cultural and racial university.

B) Attaining academic excellence.

C) Meeting the needs of the community.

*dr. benjamin alexander /
president*

administration

Dr. Sutton joined the administration of Chicago State University only a year ago, and has already made remarkable contributions in solidifying more effective communication channels in the faculty and student body.

*dr. william sutton / vice-president
(academic affairs)*

administration

Mr. Brinkman, a veteran of Chicago State University, recently was promoted to the vice-president of administrative affairs position.

Mr. Brinkman is responsible for the accuracy of budget expenditures, the beautification of the campus, and a series of other responsibilities.
